## Question: 1

(1) Looking for something to keep you busy for awhile? Here's (2) a simple way for making decorative frames and vases. (3) Firstly, (4) you'll need to get together with a few materials. (5) This is what you gonna need: (6) twigs you have to collect from the ground, cardboard for the frame, a mason jar for the vase, white glue, double sided tape, twine or raffia, scissors, a pencil, (7) a ruler, and one of your favorite pictures.

(8) Start with the picture frame; take your (9) picture, and place it on the cardboard. (10) The cardboard should be larger than your picture. (11) Then take your ruler and pencil and draw lines on the cardboard (12) about one-half to one and a half inch apart and (13) all the way around the circumference of the picture. (14) Cut out the cardboard along the pencil lines and save the center piece.

Now, (15) brake your twigs to fit along all four sides of the picture. (16) They doesn't have to be the same size. Use about three or four twigs per side, (17) making a bundle of twigs for each side of the picture frame. (18) Now, repeat that same process for the top and for the sides. (19) Once you've got the four sides ready, manufacture the frame.

Take your picture and glue it to the center of the cardboard. (20) Then, put a profusion of glue on one bundle of sticks and glue it along one side of the picture. Finish the frame by gluing the rest of the bundles around the picture. That's it, you're finished! Now, if you want to hang it, all you have to do is make a string hanger or a cardboard easel.
